

EAA Chapter 103 General Meeting Minutes for May 2008

Meeting was called to order at 7:40 P.M.

Thirty-six members attended the May meeting.

Spring Fling - Forty members attended, everyone enjoyed the evening, it was filled with music, good food and friends, thanks to everyone for making this a successful event.

Poker Run - Winners were Dennis Wheeler with high hand and Cathy Henry with low hand, each received \$60.00, congratulations! Special thanks to Don Milbourn and his wife Cindy who ran the poker game.

Paver Stones – Big Thanks to Jordon Roe and his girlfriend, Dawn Laurie, for working so hard on the walkway it looks great, good job!

Tool Crib – Air compressor will be working as soon as Doug Kandle puts on the missing nozzle.

Garden Valley Overnighter – There will be an overnighter on July 3rd, 2008 at Garden Valley. Participants are asked to bring a dish to share, the club will provide the meat. Please RSVP Doug Kandle at president@eaa103.org, so there is enough meat for everyone. Transportation will be provided to Jack Ogden's home so he can show his plane to anyone who is interested in seeing it.

EAA Oregon Antique Aircraft Tour - Monday July 21st, at 5 P.M. 20-30 participants are expected to fly in with their antique airplanes, volunteers are needed to help with a BBQ. If you could lend a helping hand, Lloyd Thompson, Jordan Roe, Jerry Jones and Russ Sperry could probably use the extra help. Please contact any of them and let them know you are available.

Young Eagle's - On May 20th there will be a Young Eagle's flight for students at the Gooding State School for the Deaf and Blind. Dale Cresap is the event coordinator. Pilots assemble for their pilot briefing at 08:30 A.M..

Event Procedures - Putting on an event in the hangar just got easier, procedures have been typed up with most of the steps you will need so you can put on a successful hangar event. Now is the time to volunteer! What would you like to do?

Newsletters - If you haven't been getting them, email Doug Kandle at, president@eaa103.org.

June Speaker - Ben Shedd, Academy Award winning filmmaker. Produced a number of shows for NOVA and several IMAX and OMNIMAX science films. Ben produced "The Flight Of The Gossamer Condor". He has been invited by EAA to Air Venture 2008 to show his newly remastered 30th Anniversary DVD of the film.

May Speaker - Special thanks to Curtis Kusch, he showed pictures of the Highlander project he and his wife are doing in their workshop at home, hope to see it in the air soon!

Meeting was adjourned at 9:00 P.M.
